FACIALS

Using award-winning Éminence Organic Skin Care, our facials are customised to your skin type and condition.

Biodynamic Facial.....79

Using hand-harvested ingredients, the products in this facial are suitable for even the most sensitised and fragile skins, reviving those that show signs of ageing or hormonal imbalances..

Brooklyn Greenspa Signature Facial.....74

A luxurious facial comprising 3 separate exfoliants and a wild berry antioxidant peel, in addition to the other cleansing and hydrating steps. Collagen and elastin boosting.

Super Gemstone Facial.....74

Your skin will zing with this real gemstone and powerful botanicals facial, including a charcoal and malachite exfoliator, an energizing turmeric masque and camellia glow solid face oil.

Microgreens Detox Facial67

Using nature's superfoods, this treatment is designed to deeply cleanse clogged pores, clarify and hydrate your skin. Wonderful if you are exposed to pollutants in the home or city.

Essentials Stone Crop Facial.....39

Stone Crop (a succulent plant), 6 times more hydrating than aloe vera, this express facial will soothe irritation, help with hyperpigmentation and rebalance the moisture levels.
